

Dear Friends of the Mission,

I want to personally thank you for your recent gift of \$500.00 to the Denver Rescue Mission. Your partnership and generosity mean so much to us, especially at this busy time of year.

Thank you so much for sharing your blessings with those who are struggling most. Many lives will be changed because of your compassion toward others.

What a blessing you are to our ministry!
May God bless you richly. With gratitude,

"The poor shall never cease..."

Thou shalt open thine hand wide unto thy brother, to thy poor, and to thy needy."

(Deut. 15:11)
